County of Cook and State of Illinois

COLLEGE HOSTS SUMMER DOCUMENTARY SERIES
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Truman College hosted a summer documentary film series with films showing every Wednesday afternoon from June 8 through August 24, those films including such award winners as *Farenheit 9/11* and *Super Size Me*; and

that all documentaries in the series were free, sponsored by Reel Activists (REACT), a group of fans and filmmakers of the documentary genre, including Truman students, who believe these films are excellent tools for motivating people to get involved in grassroots causes; and

that each film was followed by an informal discussion of issues raised by the filmmakers.

Respectfully submitted,

Wayne D. Watson
Chancellor
