WRIGHT COLLEGE  
HOSTED BLOOD DRIVE

THE CHANCELLOR

**REPORTS** that Wright College hosted a Blood Drive on Thursday, February 9, 2006. Life Source provided the phlebotomy staff for 39 people who presented to donate. This resulted in 28 pints of blood collected. Since one blood donation can save up to 3 individuals, the units collected at Wright College's blood drive will potentially save 84 lives. The blood donations will help to save cancer patients, critically ill newborns, severely burned patients, transplant patients, accident victims and many more who have illnesses requiring blood products. The College Activities Officer coordinated the Blood Drive.

Respectfully Submitted,

Wayne D. Watson  
Chancellor
