BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

AUTOCAD SOFTWARE LICENSE RENEWAL  
TRUMAN COLLEGE  
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that in Board Report # 26477, dated December 2, 2004 approval was given to purchase and upgrade AutoCad software from Imaginit Technologies for the credit and continuing education computer aided design training programs at Truman College; and

that Imaginit requires the renewal of an annual software license membership, at Truman and also at Daley College where the software is already installed, at a total cost of \$13,620.00 for both Daley and Truman Colleges through December 2006; and

that OIT has found the software compatible with our hardware and staff have reviewed the submitted software renewal quote and have determined that the cost is fair and reasonable; and

that the software renewal fees are exempt from District competitive bidding requirements; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced software license renewal and due to the existing membership license, there are no opportunities for MBE or WBE subcontracting, therefore, a waiver from compliance with the Board approved Participation Plan is recommended.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorizes the Chairman to approve a software license agreement with Imaginit Technologies, Schaumburg, IL for the AutoCad license at a cost of \$13,620 for both Daley and Truman Colleges through December 2006.
