COMMUNICATIONS PROFESSOR PUBLISHES TRIBUNE ARTICLE
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Robert Hughes, Associate Professor of Communication Arts and Skills, had an article published in the January 4 edition of the *Chicago Tribune*; and

that the article, *My Myanmar, formerly known as Burma*, was a tongue-in-cheek look at the military junta's moving the country's capital 200 miles inland to isolate it from danger and align it with the stars; and

that Dr. Hughes has written many articles for the *Tribune*, *Newsweek*, and other Chicago and national publications and is the author of the book, *Running With Walker: A Memoir*.

Respectfully submitted,

Wayne D. Watson
Chancellor
