County of Cook and State of Illinois

Some 500 High School Students Attend
First Regional College Fair Hosted by Wright

THE CHANCELLOR

REPORTS that Wright College hosted its first regional college fair Nov. 18, sponsored by the City Colleges of Chicago and the Chicago Public Schools. Some 500 high school students attended.

that some 50 college representatives were present to speak with students from 18 High Schools and Wright College.

that the goal of the fair was to showcase Wright College and make information on a variety of other colleges and universities available to students. The fair also featured financial aid information.

that there was also an official drawing for a computer, which was won by Wesley Lofton of Prosser High School.

Respectfully submitted,

Wayne D. Watson
