BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

Community Based Recruiting/Counseling/Student Development  
Services  
Kennedy-King College  
Dawson Technical Institute Construction Program

THE CHANCELLOR

REPORTS

that an approved professional service agreement was executed for \$9,450 for a period of August 18, 2005 through November 23, 2005, for Anthony Williams to develop and implement a Community Based Recruiting and Student Development Initiative focused on construction programs at Dawson Technical Institute. His services include working with and through community groups, interviewing students and parents, arranging and escorting students on tours of the Dawson Facility, facilitating delivery of remedial series to help students meet admissions cut-off scores to enter programs, and following up with students after entry into the program. So far 45 students have participated in activities including tours, testing and enrollment. Mr. Williams has worked with College staff to plan a community-based remediation activity for recruits, which is in process of being initiated; and

that it has been determined that Mr. Williams' services are necessary to continue work on community based recruitment, counseling and student development services in the greater Englewood area; and

that it is therefore necessary to amend the agreement with Mr. Williams to continue work for the initiative through May 31, 2006 in an amount not to exceed \$16,000; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced professional services agreement and since Anthony Williams is the developer of the Community Based Recruiting and Student Development Initiative and his services are needed to continue the implementation of the program, it has been recommended that an approval of a waiver from compliance with both the MBE and WBE goals of the Board approved Participation Plan be granted.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorizes the Chairman to amend the agreement with Anthony Williams to implement the student support and community partners components of the Initiative at a cost not to exceed \$16,000 through May 31, 2006.
