BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

FACULTY, PROGRAMS FEATURED IN CHICAGO PUBLICATIONS  
TRUMAN COLLEGE

THE CHANCELLOR

**REPORTS** that Robert Hughes of the Communications Department has had an article, *When Autism Hits Home*, published in the November issue of *Elite*, a magazine of the *Daily Southtown*; and

that Dr. Hughes is also the author of the 2004 book, *Running With Walker: A Memoir*; and

that Truman's Automotive Technology program is featured in the fall issue of *Industry Insider*, a newsletter published by the Chicago Jobs Council; and

that the article not only mentions the automotive program, but also the new Automotive Bridge Program designed to help Adult Education students make a successful transition to the college credit Automotive Technology program.

Respectfully submitted,

Wayne D. Watson  
Chancellor
