County of Cook and State of Illinois

WILBUR WRIGHT COLLEGE AND CHICAGO PUBLIC SCHOOLS
REGIONAL COLLEGE FAIR

THE CHANCELLOR

REPORTS that the first ever City Colleges of Chicago and Chicago Public Schools Regional College Fair took place at Wright College on Friday, November 18, 2005.

that the CCC and CPS Regional College Fair served over 400 high school students. They participated in an orientation-to-college session and a financial aid presentation; they learned how to obtain their financial aid pin numbers, figured out the financial aid calculation for expected family contribution, and visited with college representatives of both public and private, in-state and out-of-state institutions. At the end the day they had the opportunity to reflect on the learning outcomes as well as establish the next steps to prepare for matriculation in the fall.

that over 40 colleges and universities participated in the college fair. The fair provided the students with exposure to an array of higher learning opportunities in a personalized, intimate venue

that the CCC and CPS Regional College Fair was a quality event that set a milestone for the partnership and collaboration that can result in a win-win situation for City Colleges of Chicago, the Chicago Public Schools system and ultimately not only the Chicago Public Schools students but Wright College students as well.
