BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

AUTOMOTIVE TECHNOLOGY STUDENTS WIN A CAR
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Automotive Technology students Servando Abad, Amiel Maya, Angel Ramos, Robert Hayes, and team captain Michael Renkosiak came in fifth at the Chitown Tear Down Pit Crew Competition January 29 at the McCormick Center; and

that though the Truman students didn't win first place, competing automatically entered them in a raffle for a 2005 Lincoln LS, which they won; and

that this is the second year in a row Truman students have won a car, which will become a teaching tool for the program; and

that in five years with Truman, Automotive Technology Program Coordinator Harold Santamaria has arranged for more than \$800,000 worth of similar donations from Chicago auto dealers.

Respectfully submitted,

Wayne D. Watson
Chancellor
