

**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
COUNTY OF COOK AND STATE OF ILLINOIS**

**TEN EMERGENCY TECH BASIC GRADUATES FROM WRIGHT COLLEGE
ACCEPTED IN CHRIST HOSPITAL PROGRAM**

THE CHANCELLOR

REPORTS that of the 35 fall enrollees who graduated from Wright's Emergency Tech Program during the fall 2005 semester, the teaching staff sent the top 10 percent to be tested to enter the Christ Hospital Paramedic Program in Oak Lawn. Ten were accepted into the program, a noteworthy fact because usually 600 hours of practical experience is required before students are accepted.

that in addition, an eleventh student was accepted in a Physician Assistant School in Las Vegas.

Respectfully submitted,

Wayne D. Watson
Chancellor
