COUNTY OF COOK AND STATE OF ILLINOIS

**Wright College Wins ICCHE Innovative Award**

**THE CHANCELLOR**

**REPORTS** that Wright College's Computer Security and Forensic Investigation Program (the only approved community college credit certificate program in the State of Illinois) was awarded the prestigious Innovative Initiative Award for 2006 from the Illinois Council on Continuing Higher Education (ICCHE) on Friday, February 10, 2006; and

that Wright College won this Innovative Initiative Award competing against Elmhurst College, the University of Illinois Champaign, Waubensee Community College, Lincoln Land Community College and Illinois Central Community College; and

that at the 31<sup>st</sup> Annual ICCHE Conference, Joseph M. Leary, Dean of Career Programs, presented a thirty minute overview of Wright's Computer Security and Forensic Investigation Program to approximately 100 attendees, Dean Leary accepted the award on behalf of Wilbur Wright College and Dr. Charles Guengerich from Mary Bates, President of ICCHE. Wright's CSFI Program is a 24 credit hour certificate program with two tracks: Information Security and Computer Forensic.

Respectfully submitted,

Wayne D. Watson  
Chancellor
