BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

Citigroup Foundation Support  
For the City Colleges of Chicago  
Professional Bank Teller Program

THE CHANCELLOR

**REPORTS** that Citigroup Foundation, in support of the partnership developed between Citibank and City Colleges of Chicago, has contributed \$10,000 for the continued support of the District's Professional Bank Teller Program, and

that the Citigroup Foundation also makes this donation in recognition of the quality of the Program, as demonstrated by the numerous national, state, and local awards it has garnered, as well as by the success of program completers who have been hired by Citibank, and

that these funds are to be used during the period April 2006 through May 2007 exclusively to support Program components including, but not limited to: curriculum development, marketing, student scholarship, educational materials and support services, and

that, during this period, the program is to be run at multiple City Colleges of Chicago sites to better enable local residents to take advantage of this excellent program.

Respectfully Submitted,

Wayne D. Watson  
Chancellor
