KENNEDY-KING COLLEGE

THE CHANCELLOR

REPORTS

that Kennedy-King College, in conjunction with the Operating Engineers Local 150 Apprenticeship & Skill Program (Local 150) has negotiated an Agreement for the period January 4, 2007 to January 4, 2008 (which shall thereafter be automatically renewed from year to year unless at least 60 days but not more than 120 days prior to the termination or anniversary thereof either party gives written notice to the other of a desire to amend, add to, or subtract from this agreement) to offer a Basic Certificate, an Advanced Certificate and an Associate in Applied Science degree program in Heavy Equipment Technology (the "Program"); and

that Local 150 shall provide, at its expense, individuals qualified to teach the technical education courses and all other instructional requirements in connection with the Program; and

that Local 150 shall provide at its expense, the equipment, materials, property, supplies, and tools necessary for the Program. Further, Local 150 shall be responsible for maintenance and care of all of its equipment and property used in conjunction with the Program; and

that during the term of the agreement, Kennedy-King College agrees to waive all tuition and registration fees except for tuition and fees for General Education courses not offered by Local 150 but taught by Kennedy-King College instructors; and

that Kennedy-King College agrees to provide, at its expense, certain space at its Dawson Technical Institute or such other space and facility as may be designated by Kennedy-King College.
