County of Cook and State of Illinois  
Maintenance & Support Agreement with 3(D) Definitive Datamation Design  
Programs for the Military  
Harold Washington College

**THE CHANCELLOR**

**REPORTS**

that in Board Report #23507, dated November 7, 2002, the Board of Trustees amended the agreement with Definitive Datamation Design, Inc. to provide support and hosting services for the APEC software to process student, financial, human resource and other data reporting systems relating to the Programs for the Military Europe operations; and

that Definitive Datamation Design, Inc has offered to continue to provide the necessary support and hosting services to Harold Washington College to process transcript requests and other reports as required; and

that Definitive Datamation, Design, Inc. has proposed to provide the necessary hosting and support services at a cost of \$3,000.00 per month with a rate of \$150.00 per hour for additional professional services for work beyond the standard monthly scope of services; and

that it is necessary to have these services available to the Harold Washington College on a month to month basis for the period of May 1, 2006 through June 30, 2007 with the right to terminate the agreement by sending a thirty day notice to Definitive, Datamation Design, Inc; and

that this proposal has been reviewed and is recommended by Harold Washington College; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced agreement and has determined that since Definitive Datamation Design is continuing in its hosting and support services for the APEC software and these services are unique and there are no MBE or WBE subcontracting opportunities, it is recommended that a waiver from compliance with the Board approved Participation Plan be granted.
