BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

APPLE COLLEGIATE PURCHASE AGREEMENT  
ALL COLLEGES  
(Extension Option)

THE CHANCELLOR

REPORTS

that in Board Report #26836 dated July 14, 2005 the Board approved and authorized the Chairman to enter into Apple's Master Education Purchase Agreement which is required by Apple for all of their education customers in order to receive the educational discount for the purchase of Apple products; and

that it was agreed that unless either party provides written notice to the contrary to the other party not less than thirty (30) days before the expiration of any renewal term, the agreement shall be renewed for additional one(1) year period; and staff recommends acceptance of this option for an additional one year; and

that the purchase of Apple computers, software and maintenance services is based on receiving an academic discount directly from the manufacturer for twelve (12) months upon execution of the Agreement; and

that the Office of MWBE Contract Compliance has reviewed the above referenced purchase agreement and has determined that this is an extension of Apple's Master agreement and a sole source transaction; it is therefore recommended that a waiver from compliance with the Board approved Participation Plan be granted.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorizes the Chairman to enter into the Apple Computer Collegiate Purchase Agreement for all CCC colleges for the period of April 2006 through April 2007.
