

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

ARTICULATION AGREEMENT

The National Labor College
and
Board of Trustees Community College District #508-(City Colleges of Chicago)

THE CHANCELLOR

REPORTS

that the National Labor College(NLC), a licensed degree-granting institution of higher education located in Silver Springs, Maryland, and the Board of Trustees of Community College District #508 (CCC) a degree-granting institution located in Illinois, hereby join in an articulation agreement designed to enhance the educational opportunities available to their respective students, especially adult learners. Specifically, the agreement herein is intended to expand the options available for those CCC students choosing to transfer to NLC and complete a Baccalaureate Degree; and

that CCC agrees to coordinate orientation, advisement, career development, and learning activities designed to assist students in meeting degree requirements established by NLC; and

that the National Labor College agrees to accept a maximum of 60 semester credits from CCC for all A.A.S. degrees in the Building and Construction Trades offered in partnership with union apprenticeship programs, and an equivalent to 60 semester credits, including other A.A., A.S., and A.A.S.T. degrees, subject to review by NLC, and up to 30 additional semester credits through portfolio review and/or transfer credits from accredited four-year institutions; and

that the Agreements shall commence November 9, 2006 and continue throughout the 2006-07 Academic Year, ending June 30, 2007, renewable each successive academic year.

THE CHANCELLOR

RECOMMENDS that the Board of Trustees approve this Articulation Agreement between CCC and the National Labor College.
