CORETEC SOFTWARE ACQUISITION
KENNEDY KING COLLEGE
WASHBURNE CULINARY INSTITUTE

THE CHANCELLOR

REPORTS

that there is a need to purchase additional inventory software from Culinary Software Services Inc. to complement the existing system and provide system support in order to control spending and waste; and

that this system automatically updates pricing and inventory and allows reports to be generated based on orders, inventory and sales and provides shopping lists for caterers; and

that Culinary Software Services has proposed to provide the Coretec Software Acquisition at a total cost of \$16,512.00, which also includes installation, training and shipping; and

that this purchase of software is exempt from competitive procurement and is a sole source with Culinary Software Services Inc.; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced purchase of a Coretec Software Acquisition and since Coretec Software is an exclusive product of Culinary Software Services, it is recommended that Coretec be granted a waiver from compliance with the Board approved Participation Plan.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorizes the issuance of a purchase order to Culinary Software Services Inc. Boulder, CO. in the total amount of \$16,512.00 for the purchase of the Coretec Software Acquisition for Washburne Culinary Institute.
