BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

ORACLE, INC.  
USER PRODUCTIVITY KIT LICENSES AND MAINTENANCE SERVICES,  
OFFICE OF INFORMATION TECHNOLOGY  
DISTRICT OFFICE

THE CHANCELLOR

REPORTS

that as part of the PeopleSoft application strategy, the District requires uniform on-line help content for its four PeopleSoft software applications which are the Student Administration, Human Resources, Finance and Contributor Relations Systems; and

that Oracle has now developed a product called the User Productivity Kit (UPK) which will allow the District to create and update the critical documentation, training materials, and support materials (job aides) for all applications; and

that the User Productivity Kit provides system process documentation, comprehensive instructor led training materials, web-based training materials, role-based performance support and complete documentation, all of which will be used in the district's planned upgrades of the PeopleSoft applications; and

that OIT staff has received a proposal from Oracle to provide the software at a cost not to exceed \$364,760.00 for the Use Productivity Kit licenses, five developer licenses and maintenance services for the period of October 20, 2006 through October 19, 2007; and

that this computer software and maintenance service purchase is exempt from the District's competitive bidding requirements; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced license agreement and has determined that since this license is a sole source product of Oracle, Inc. and there are no MBE or WBE subcontracting opportunities available, it is recommended that a waiver from compliance with the Board approved Participation Plan be granted.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approve the license agreement with Oracle, Inc. for the purchase of the Use Productivity Kit licenses, five developer licenses and maintenance services for the period of October 20, 2006 through October 19, 2007 at a cost not to exceed \$364,760.00; and authorizes the Chairman of the Board to execute any documents pertaining to these professional services.
