NURSING CHAIRMAN FEATURED IN NATIONAL MAGAZINE
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Dr. Deborah Terrell, chairman of Truman College's Nursing Department, was featured in the September 11 issue of the national magazine, *Nursing Spectrum*; and

that the article focused on Dr. Terrell and nursing educators from other institutions around the country and how they deal with shortages of qualified faculty and other obstacles to produce more and better educated nurses; and

that Dr. Terrell and Truman were the only educator and institution mentioned in the article to be featured on the magazine's cover and in an inside photo.

Respectfully submitted,

Wayne D. Watson
Chancellor
