

**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois**

**TRIO PROGRAM PUTS STUDENT BACK ON TRACK  
TRUMAN COLLEGE**

**THE CHANCELLOR**

**REPORTS** that student Richie Torres had dropped Biology 121 twice and was afraid that on his third time through he was going to fail again; and

that Mr. Torres then joined the TRIO program, which was created to support low-income students, students with special needs, and students who are the first in their families to attend college; and

that with help from a TRIO tutor and workshops on time management and organizational skills he not only passed Biology 121, but earned an A; and

that TRIO representatives have also helped him apply for scholarships.

Respectfully submitted,

Wayne D. Watson  
Chancellor
