COMMUNITY COLLEGE DISTRICT NO. 508
DECEMBER 6, 2007

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

VIDEO SECURITY AND SURVEILLANCE
COMMISSIONING ASSIGNMENT
DISTRICT WIDE

THE CHANCELLOR

REPORTS

that in Board Report 27955, dated April 12, 2007, the Board authorized the execution of a contract with Pace Systems, Inc. for the purchase and installation of video and surveillance equipment district wide for a cost not to exceed \$3,850,000; and

that Administrative Services has determined that it would be in the best interest of the Colleges to have an expert in the field commission the work by reviewing all documents, and procedures, performing equipment checks, reviewing installations, witnessing all system testing, reviewing as-built drawings, reviewing and approving all training program proposals; and

that RFP #SC0725 for commissioning services of the CCTV project was publicly bid and received three responsive proposals from the following companies: IBM, System Development Integration, Inc., and Los Alamos Technical Associates, Inc.; and

that a committee of persons made up from Administrative Services, Finance, OIT, and Security reviewed the proposals and determined that the proposal submitted by System Development Integration, Inc. best suited the needs of the City Colleges and was the best value for the pricing proposed; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced commissioning proposals and since System Development Integration, Inc. is a certified MBE along with ESD for 65% and using Logston Stationers as the certified WBE as an indirect participant, it is recommended that SDI be deemed as being in compliance with the Board approved Participation Plan.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorize the Chairman to execute a contract with System Development Integration, Inc. for the CCTV commissioning services in an amount not to exceed \$120,000.00 which includes a 10% contingency.
