**RICHARD J. DALEY COLLEGE ON FRIDAY, OCTOBER 26, 2007**

**THE CHANCELLOR**

**REPORTS** that Daley Adult Education hosted its 29th GED graduation ceremony on Friday, October 26, 2007 at 7:00 PM in the Beattie Theater on the college campus. Along with the 69 graduates who were honored at this ceremony and the 105 graduates who were recognized at the college's May 25, 2007 GED graduation, the college has identified 174 GED graduates in the last one-year period. Approximately 8% of the college's credit enrollment is comprised of students who have first completed GED studies and/or English as a Second Language studies through the Adult Education division.

that due to the large number of graduates, the program offers two GED graduation ceremonies each year. In the program's twenty-two year history, more than 3,980 graduates have now successfully completed the official GED examination with assistance through the Adult Education Program at Richard J. Daley College.

Respectfully submitted,
