**County of Cook and State of Illinois**

**SUCCESS SEMINAR STUDENTS CREATE ON-CAMPUS FOOD PANTRY**  
**TRUMAN COLLEGE**

**THE CHANCELLOR**

- REPORTS** that students in Speech instructor Franklin Reynolds' class are creating a campus food pantry to serve the needs of Truman students; and
- that the project is part of the coursework for a new class piloted by the City Colleges of Chicago called College Success Seminar 101; and
- that students are working in teams to collect donated food from students, faculty, and staff, design a logo for the pantry, create rules and a mission statement, and decorate bins used to collect canned goods; and
- that to inaugurate the pantry, which opens this fall, students will fill food baskets to donate to local social service agencies for distribution during the holidays.

Respectfully submitted,

Wayne D. Watson  
Chancellor
