

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO.508
County of Cook and State of Illinois

Supplemental Security Service
New Kennedy King College Campus
(Payment Ratification)

THE CHANCELLOR

REPORTS

that Kennedy King College seeks approval for Executive Protection Services, Inc. to continue providing security services for the U Building and supplemental services at the New Kennedy King Campus for a one month period beginning June 12, 2007 through July 10, 2007 in an amount not to exceed \$45,264; and

that the NKKC site is completing final stages of construction equipment and furniture installations and that Executive Protection Services, Inc. is the company currently under contract to the project manager for the PBCC until all buildings are occupied by KKC staff and programs; and

that the services provided during this period will be detailed as seven day, 24 hour coverage with two people for the U Building and supplemental coverage for the remaining buildings as an addition to existing KKC Security staff through the July 4, 2007 holiday weekend; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced request for supplemental security services from Executive Protection Services, Inc. and since the time request for these services is very short and there is not enough time to bring in a new subcontractor waiver from compliance with the Board Approved Participation Plan is requested.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorizes the Chairman to approve the payment ratification for Executive Protection Services, Inc. to continue security services for NKKC for a thirty day period beginning June 12, 2007 through July 10, 2007 in an amount not to exceed \$45,264.
