**AUTOMOTIVE DIRECTOR FEATURED IN TRIBUNE  
TRUMAN COLLEGE**

**THE CHANCELLOR**

**REPORTS** that Harold Santamaria, director of the Automotive Technology Program, was featured prominently in the "Focus On" feature of the *Chicago Tribune's* Classified Advertising section June 10; and

that Mr. Santamaria spoke on the preponderance of computers in newer cars, the rise of women in the automotive field, and the very attractive salaries enjoyed by technicians, all of which was very helpful to his program and Truman College.

Respectfully submitted,

Wayne D. Watson  
Chancellor
