

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

COLLEGE ADOPTS NEW MISSION AND VISION STATEMENT
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS

that Truman College has created a new mission and vision statement that better reflects the core values and goals of the college and district; and

that the entire statement is printed below.

Our Mission dedicates us

- to deliver high-quality, innovative, affordable, and accessible educational opportunities and services that prepare students for a rapidly changing and diverse global economy.

Our Vision guides us

- to enrich the quality of life of our students and the community we serve through creative responses to educational, economic, social, and global challenges.

Our Core Values define us through

- integrity and commitment
- responsibility and accountability
- respect and fairness
- diversity and inclusiveness.

Our Teaching and Learning Goals commit us to develop students who

- communicate effectively in both written and oral forms
- gather, interpret and analyze data
- demonstrate the ability to think critically, abstractly and logically
- work with a variety of technologies
- exhibit social and ethical responsibility
- perform productively in the workforce
- demonstrate the ability to learn independently
- gain awareness of their role in the global community.

Our Assessment directs us

- to provide valid and reliable means of measuring and refining the effectiveness of our teaching to enhance student learning.

RECOMMENDS

that the board adopt Truman College's new mission and vision statement.

Respectfully submitted,

Wayne D. Watson
Chancellor
