REPORTS

THE CHANCELLOR

that there is a need to enhance the capabilities of the faculty to become more effective teachers and facilitators of active student learning through the means of professional development; and

that the City Colleges of Chicago proposes to obtain the expertise of one consultant to provide such training; and

that the proposed consultant is Dr. Craig Nelson who will deliver six lectures focusing on the relationship of student learning outcomes to teaching and learning and also assist in the curricula development of the Sciences and English; and

that the estimated cost for the services to be provided between May 15, 2007 and December 30, 2007 by Dr. Craig Nelson will not exceed \$15,000; and

that this procurement of professional services is exempt from the District's competitive bidding requirements; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced professional services agreement, and determined that based on the service and delivery schedule there is no opportunity for participation by a certified MBE or WBE, and it is therefore recommended that a request for waiver from the Board approved Participation Plan be granted.

RECOMMENDS
