**OFFICE OF INFORMATION TECHNOLOGY**  
**DISTRICT OFFICE**  
(Amend Board Report 26762, dated June 3, 2005)

**THE CHANCELLOR**

**REPORTS**

that in Board Report 27415, dated June 8, 2006, the Board authorized the continuation of services by Acxiom for mainframe facility services and system support at it's Oakbrook facility through June 30, 2007 to accommodate the District's ongoing need for this service; and

that during FY08, the District requires the continued use of a mainframe to update the SPAS information for contingency purposes, keep student history records who enrolled prior to the year 2000, and to produce required reports through December 31, 2007; and

that Acxiom has proposed to continue providing the District's annual operational mainframe processing through December 31, 2007 and data storage needs through June 30, 2008 and that OIT has estimated the FY08 cost not to exceed \$750,000.00; and

that OIT has reviewed the proposal and finds it to be reasonable and acceptable; and that this purchase of professional services is exempt from the District's competitive bidding requirements; and

that the expenditure for these services is funded through the Office of Information Technology FY08 Operational budget; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced amendment and has determined that since this transaction is a continuation of a previous Board approved contract, it is recommended that a waiver from compliance with the Board approved Participation Plan be granted.

**THE CHANCELLOR**

**RECOMMENDS**

that the Board of Trustees approves the amendment of the agreement in a total amount not to exceed \$750,000.00, with Acxiom (1501 Opus Place, Downers Grove, Illinois), for the continuation of remote mainframe facility and system services with dial-up emergency communication lines to CCC sites from July 1, 2007 through June 30, 2008, and that the Chairman is authorized to execute any documents pertaining to these services on behalf of the Board.
