**DIESEL FUEL FOR TRUCK DRIVER TRAINING PROGRAM**  
**OLIVE HARVEY COLLEGE**  
**Payment Ratification**

**REPORTS**            **THE CHANCELLOR**  
that there is a need to purchase diesel fuel throughout the fiscal year for the Truck Drivers Training program for Olive-Harvey College; and

that pursuant to board rules, there is a need to request a payment ratification to cover expenses incurred for diesel fuel in the amount of \$3,417.42 for purchases that exceed \$10,000 this fiscal year; and

that approval is also requested to continue utilization of Fleetcor Technologies to provide the necessary fuel through June 30, 2007 in the amount of \$5,100;and

that this service will be strategically sourced in the next four months; and

that the Office of M/WBE has reviewed the above referenced request for payment ratification and since the diesel fuel is delivered from Fleetcor Technologies and there are no certified MBE or WBE vendors who can provide this service, it is recommended that a waiver from compliance with the Board approved Participation Plan be granted.

that the Board of Trustees authorize the Chairman to approve the payment ratification for diesel fuel purchased from Fleetcor Technologies in the amount of \$3,417.42 and approve the issuance of purchase orders through 6-30-07 in the amount of \$5,100 bringing the total for this vendor to \$18,517.42
