RICHARD J. DALEY COLLEGE
Chicago Public School Principal's Breakfast

THE CHANCELLOR

REPORTS that the Daley /WSTI team hosted a **CPS Principal's Breakfast** on Wednesday, April 11, 2007. Thirty-two high school representatives were invited and fourteen representatives were present.

that twenty five non-bargained for administrators (including the president) picked a school "to adopt". Personal visits, phone calls and e-mails contributed to the success of our yearly breakfast/gathering.

that the purpose of the breakfast is to advance the "warm market" of the high schools to a level that will increase awareness of Daley/WSTI as the college of choice. High School seniors are receiving letters of acceptance from Daley and our collective work is to get all the "non-decided" students into Daley College for workforce training and/or college transfer.

that at the end of the meeting, a \$500.00 student scholarship for the purchase of books was raffled. The winner was Tilden Community Academy, William Berry/Community Relations Representative accepted the student scholarship.

Respectfully submitted,
