

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois**Wright College Assessment Week****THE CHANCELLOR**

REPORTS that March 19th -24th Wright College celebrated student learning through a variety of Assessment Week activities:

1. Over 900 students in 62 classes completed the Community College Survey of Student Engagement (CCSSE). The CCSSE measures student satisfaction as well as student engagement in the college community and in the community as a whole. Research shows that the more engaged students are, the more likely they are to be retained, graduate, and transfer. Wright College will compare the results of this year's CCSSE with the CCSSE survey administered 2 years ago to determine improvement and to set new goals.

2. Full and part time faculty were emailed the Community College Faculty Survey of Student Engagement (CCFSSE). Faculty will have until May 25th to compete and return these surveys. Faculty are surveyed on their teaching practices and on their view of student engagement. This data will also be used to make improvements in student learning.

3. To help students become more engaged in their college community, Wright College held the second annual Student Services Scavenger Hunt. Student had to visit six of eleven student services offices to be entered into a drawing. All participates received a prize and had their names entered into a drawing: 1st prize – \$500.00 in CCC gift cards, 2nd prize - \$250.00 CCC gift card, 3rd prize - \$100.00 check for the Wright College Bookstore. Approximately 200 students participated in this event.

4. To help students become familiar with technology on campus: specifically My.CCC.edu, CCC student email, and Blackboard, Wright challenged students with a technology quiz. Participants received a prize and were entered into a raffle: 1st prize - an IPOD, 2nd prize – a digital camera, and 3rd prize – a flash drive. Over 300 students participated in this activity.

Respectfully submitted,

Wayne D. Watson
Chancellor
