(Amend Board Report No. 27032 Adopted November 3, 2005)

THE CHANCELLOR

REPORTS

that in Board Report 27032, dated November 3, 2005, the Board approved an agreement with Oracle, Inc. in the amount of \$2,750,000.00 for the period November 7, 2005 through November 6, 2007 for professional services relating to the PeopleSoft applications and Oracle's fusion technology; and

that future releases of the PeopleSoft applications will be built using Oracle's fusion middleware technology and are still being developed; and

that as part of the OIT's planning process, it will require the district to prepare for fusion technology of the PeopleSoft applications and Oracle, Inc. as the original developer of the software has the expertise and staff to assist OIT on an "as needed basis"; and

that OIT recommends that the term of the agreement be amended through June 30, 2009 with no increase in the original total cost not to exceed of \$2,750,00.00 which includes expenses; and

that this professional service agreement is exempt from competitive procurement; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced agreement with Oracle, Inc. (formerly PeopleSoft) and has determined that since the services being provided are all provided by Oracle employees, it is recommended that a waiver from compliance with the Board approved Participation Plan be granted.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approve the amendment of the agreement with Oracle, Inc. through June 30, 2009 for professional services relating to the PeopleSoft applications and Oracle's fusion technology at the original total amount not to exceed \$2,750,000.00 including expenses and authorizes the Chairman of the Board to execute any documents pertaining to these professional services.
