

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

RICHARD J. DALEY COLLEGE
HOSTS GEAR MANUFACTURING TECHNOLOGY COURSE

THE CHANCELLOR

REPORTS that Richard J. Daley College hosted the Gear Manufacturing Technology Course during the week of September 10, 2007 in partnership with American Gear Manufacturers Association (AGMA).

that founded in 1916, AGMA is a global member and market driven organization, conducting programs and providing services to the gear industry, its suppliers, and its customers.

that the course was attended by 19 participants from gear manufacturing companies across the country. Muhammad Siddigi, Executive Director for Manufacturing Technology Institute, and Vice President Cecile Regner, welcomed the contingent to the college. Mr. Siddigi provided a brief review of college offerings to the business and industry communities.

Respectfully submitted,

Wayne D. Watson
Chancellor
