that on October, 2007, the Malcolm X College Paramedic Program orchestrated the visit of 25 students from Hamburg, Germany to the College. These students represented both Medical and Veterinary Assistance Programs from the Staatliche School of Technology, Hamburg. While at Malcolm X College, students were introduced to: A presentation of EMS in Chicago; the Malcolm X College EMT & Paramedic Programs; Placed in EMT Skills Stations; and, were given a tour of the Chicago Fire Department.
