**OLIVE-HARVEY COLLEGE HOSTS COLLEGE FAIR  
FOR LOCAL HIGH SCHOOL STUDENTS**

**THE CHANCELLOR**

**REPORTS** that on Wednesday, October 17, 2007 Olive-Harvey College hosted a college fair for Chicago Public High School students. College representatives from over 25 regional colleges and universities were on hand to speak to students about admissions, scholarships, financial aid and answer any questions;

that students were offered a College Survival 101 workshop which gave tips on how to be successful in college. Students were also given the opportunity to obtain a FAFSA pin and complete a career Choices Planner portfolio, an online career planning system that helps students build a plan for their future;

that this year's event hosted over 600 students and took place in the Bruce Cherry Theater and gymnasium. Students were able to interact with admissions representatives and discuss information pertinent to the college selection process.

Respectfully submitted,

Wayne D. Watson  
Chancellor
