ADOPTED - BOARD OF TRUSTEES  
COMMUNITY COLLEGE DISTRICT NO. 508  
OCTOBER 3, 2007

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

AMEND ON-SITE MAINTENANCE OF MICROCOMPUTERS, LAPTOPS, SERVERS, PRINTERS,  
AND OTHER RELATED EQUIPMENT AGREEMENT  
ALL COLLEGES AND DISTRICT OFFICE  
(Amend Board #27686, Adopted November 6, 2006)

REPORTS

THE CHANCELLOR

that in Board Report # 27686, dated November 6, 2006, the Board of Trustees authorized the District to extend the contract with Sentinel Technologies, Inc. through October 31, 2007 to provide on-site maintenance of servers, mainframe controllers, mainframe printers, laptops, desktop computer equipment, printers and related equipment; and

that it would best serve the district to continue this agreement through December 31, 2007 to allow the support and maintenance of older mainframe equipment that is required for SPAS until the end of the year and allow OIT to evaluate the service levels of existing CPS Board Report # 06-1220-PR7 maintenance agreements for computer server equipment; and

that during the months of October and November, OIT will evaluate the proposals from the RFP for the computer maintenance on microcomputers, laptops, desktop printers and related equipment which will be released on September 26, 2007; and

that this authorization allows the District to achieve district-wide coordination and distinct maintenance service levels based on the type computer hardware; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced on-site maintenance to district wide computers and related equipment and since Sentinel Technologies, Inc. has been in full compliance with Corporate Travel (WBE) for 7% and Total Maintenance Concepts for 25% they are therefore in full compliance with the Board approved Participation Plan.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorize the Chairman to approve the amendment of the current agreement with Sentinel Technologies, Inc. Downer Grove, IL. to provide on-site maintenance of the above listed computer equipment, extending the agreement through December 31, 2007 in the additional amount not to exceed \$60,000.
