RECEIVED AND PLACED ON FILE – BOARD OF
TRUSTEES COMMUNITY COLLEGE DISTRICT NO. 508
SEPTEMBER 6, 2007

**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois**

**COLLEGE UNVEILS NEW BUILDING PLAN TO THE COMMUNITY
TRUMAN COLLEGE**

THE CHANCELLOR

REPORTS that in late July, the college held the first of several public meetings designed to inform Truman's neighbors about the new parking structure and student services center that will start construction early next year; and

that the meeting was attended by representatives from the college, including staff and faculty volunteers, members of the community, 46th Ward Alderman Helen Shiller, the contractors, the Illinois Capital Development Board, and representatives from City Colleges of Chicago, among others; and

that the presentation included an overview of the construction plan, a animated graphic of the new building, and a question and answer session designed to address community members' concerns; and

that the next meeting is planned for September.

Respectfully submitted,

Wayne D. Watson
Chancellor
