

**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508**  
**County of Cook and State of Illinois**

**PURCHASE AN IMAGING ALIGNMENT SYSTEM**  
**TRUMAN COLLEGE**

**THE CHANCELLOR**

**REPORTS**

that there is a need to purchase an imaging alignment system for the Automotive Department at Truman College; and

that the alignment system includes a 19" LCD monitor, an adjustable height camera, a standard turntable kit with dust cover and a 9K/12K scissor lift with delivery and installation; and

that specifications were prepared by District procurement staff, publicly advertised, and specifications were mailed to 10 firms, three bids were received; one bid did not meet specifications and was deemed non-responsive, and the following responsive and responsible bids were received:

Bidder	Total Bid Price
Snap-On Equipment Conway, AR 72032	\$22,430.46
Chicago United Industries, Ltd. Chicago, IL 60604	\$28,165.96

that staff has reviewed the low bid submitted by the most responsive and responsible bidder, Snap-On Equipment, and has determined that the prices are reasonable and acceptable, and recommend the purchase of the Imaging Alignment System for Truman College; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced imaging alignment system purchase and has determined that since the system is produced and installed in-house by Snap-On Equipment, there are no opportunities for M/WBE participating and it is recommended that a waiver from compliance with the Board approved Participation Plan be granted.

**THE CHANCELLOR**

**RECOMMENDS**

that the Board of Trustees authorize the Chairman to approve a purchase order to Snap-On Equipment for \$22,430.46 to purchase the imaging alignment system for Truman College, in accordance with the specification number, IW0631 dated November 29, 2006.
