**Kennedy-King College Enters Vehicle in the 2007**  
**World of Wheels Auto Show**

**THE CHANCELLOR**

**REPORTS** that Kennedy-King College's Auto Body Technology program entered a customized 1981 Buick Regal in the 2007 World of Wheels Custom Auto Show. The vehicle is a one-year project of Mr. Kenneth McMillian, auto body instructor, and our auto body students. Mr. McMillian's students' professionally restored the vehicle from a body shell to finished vehicle. The Buick Regal features a high-performance 500 horsepower Chevrolet small-block engine and a Candy Apple Red custom paint finish. The vehicle was be on display at the McCormick Place January 26 thru 28 and won the Best in Class Award for the Conservative Hard Top Class. The World of Wheels Custom Auto Show is a great platform for Kennedy-King College to promote its' Auto Body Collision program.

Respectfully submitted,

Wayne D. Watson  
Chancellor
