

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

PURCHASE A PROGRAMMABLE LOGIC CONTROLLER TRAINING SYSTEM
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that there is a need to purchase a programmable logic control training system for the Manufacturing Technology Institute at Daley College; and

that the programmable logic control training system would include online/offline programming software, computer interface, student manual instructor guide and onsite training; and

that specifications were prepared by District Procurement staff, publicly advertised, and specifications were mailed to six firms, and the following responsive and responsible bids were received from three firms:

Bidder	Total Bid Price
Advanced Learning Systems Chicago, IL	\$ 33,250.00
TII Technical Education System Mundelein, IL 60010	\$ 35,750.00
Cindy Conway LaGrange, IL	\$ 37,375.00

that staff has reviewed the low bid submitted by the most responsive and responsible bidder, Advanced Learning Systems, and has determined that it's prices are reasonable and acceptable, and recommend the purchase of the programmable logic training system for Daley College; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced purchase of a programmable logic control training system and since there are no MBE or WBE vendors with the capability to provide such a specialized training system, it is recommended that a waiver from compliance with the Board approved Participation Plan be granted.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorize the Chairman to approve a license agreement with Advanced Learning Systems in the amount of \$33,250.00 for purchase of the programmable logic training system for Daley College, in accordance with the specification number, IW0630 dated November 10, 2006.
