**Wright College Hosts Blood Drive**

**THE CHANCELLOR**

**REPORTS** that Wright College hosted a blood clinic on Thursday, November 9, 2006. LifeSource provided phlebotomists and support personnel for the event. 33 people presented to donate. There were 17 deferrals, and we collected 15 units of whole blood (platelets, plasma, and red blood cells). We collected 1 ALYX unit (double the amount of red blood cells but the platelets and plasma were returned to the donor). ALYX units count at 2. So the statistics would be 17 units collected helping to save the lives of up to 51 patients in need of blood. This event was sponsored and coordinated by the College Activities Officer and the Activities Office at Wright College.

Respectfully Submitted
