

**Board of Trustees of Community College District No. 508
County of Cook and State of Illinois**

**Training Subcontract
Wright College**

THE CHANCELLOR

REPORTS that Board Report 28531 dated February 7, 2008, indicates the Wright College secured an agreement with Dearborn Wholesale Grocers to provide Injury Prevention and Increased Productivity training to 40 employees in the amount of \$37,205.00 for the period 12/15/07 to 8/30/08. This training agreement is funded through the Mayor's Office of Workforce Development (MOWD) Tax Increment Funding program and;

that the training component is outlined in the MOWD Grant with the Institute of Health and Human Performance (IHHP) identified as the sub-contractor to perform the training for the employees for Dearborn Wholesale Grocers and;

that there is a need to enter into a sub-contractor agreement with IHHP to provide training, including all training books, materials, supplies and equipment to the employees of Dearborn Wholesale Grocers for an amount not to exceed \$25,374.00 and;

that the Office of M/WBE Contract Compliance has reviewed the above referenced training subcontract and since the subcontract has been stipulated in the Mayor's Office of Workforce Development and since there is no opportunity for MBE or WBE subcontractors to be engaged in this project, it is recommended that a waiver from compliance from the Board approved Participation Plan be approved.

THE CHANCELLOR

RECOMMENDS that the Board of Trustees authorize the Chairman to enter into a sub contractual agreement with the Institute of Health and Human Performance (IHHP) to provide training, and providing all training books, materials, supplies and equipment to the employees of Dearborn Wholesale Grocers for an amount not to exceed \$25,374.00 from 4/7/08 to 8/30/08.
