RICHARD J. DALEY COLLEGE
Martin Luther King HBCU College Fair

THE CHANCELLOR

REPORTS that on Friday, January 18, 2008 – Saturday, January 19, 2008, Richard J. Daley College participated in the Martin L. King HBCU College Fair at Navy Pier. At the recruiting event, we received 400 prospective student inquiry cards and had such a tremendous success that we have created a web page documenting photographs of our College Advisors meeting with prospective students. The webpage is available at http://gallery.mac.com/collette_rogers#100120

that College Advisors, Collette Rogers and Jermaine Morales participated in the event and provided a review of college offerings to prospective students.

Respectfully Submitted,

Wayne D. Watson
