BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

Rescind Board Report for Temporary Roof Repairs
Wilbur Wright College

THE CHANCELLOR

REPORTS

that in Board Report No. 28678, adopted May 8, 2008, the board authorized the Chairman to approve an agreement for the temporary roof repairs project at Wilbur Wright College to the low bidder, DCG Roofing Solution, Inc. (DCG) of Des Plaines, IL; and

that District Office staff subsequently met with DCG to review the scope of work, the Contractor's ways and means, and the schedule of values for this project; and

that, after a review of additional information obtained in this meeting, it was determined by District Office staff that the specifications did not address safety and building accessibility requirements; and

that it would be in the best interests of CCC not to award this contract to DCG, to rescind Board Report No. 28679 and to re-bid the project; and

that rejection letters were sent to vendors who submitted responses; and

that District Office staff plan to revise the specifications to address safety and building accessibility requirements and will re-bid the project.

THE CHANCELLOR

RECOMMENDS that the Board of Trustees approve the decision to rescind Board Report No. 28679 and to re-bid the project.
