

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

FIRST ROUND OF ASSESSMENT TRAINING MAKES THE GRADE
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that the first round of training for readers in the college's new assessment program has been very successful; and

that given a sample of student work and the rubrics by which to assess that work, readers from different disciplines -- faculty, staff, and administration -- all came up with nearly identical scores; and

that the second round of training is set to begin.

Respectfully submitted,

Wayne D. Watson
Chancellor
