**BUILDING ON PARTNERSHIP AGREEMENT
WESTERN ILLINOIS UNIVERSITY AND
HAROLD WASHINGTON COLLEGE**

THE CHANCELLOR

REPORTS

that Harold Washington College has fully executed a Building on Partnerships Agreement with Western Illinois University's Board of Trustees Bachelor of Arts Degree Program; and

that this agreement will enable graduates of Harold Washington with an associates of arts or associate of science degree to obtain a Board of Trustees/Bachelor of Arts without on campus attendance at WIU; and

that 120 semester hours are necessary for the BOT/BA of which a minimum of 30 hours must be from Western and of which 40 hours must be earned at the upper division level, 16 hours of which must be WIU upper division courses; and

that transfer students obtain a cost guarantee for a maximum of four (4) years immediately following graduation, whereby per hour tuition and fee rates remain the same each year the student attends; and

that the BOT/BA is a regionally accredited undergraduate degree that enables admission to many graduate and professional schools and more information can be obtained from the HWC Transfer Center in Room 106E or from the HWC Office of Instruction; and

that this agreement was executed with the approval of the Director, Non-Traditional Programs, WIU and Cecilia Lopez, Vice President of Academic Affairs HWC and John Wozniak, President of HWC.

Respectfully submitted,
