**THE CHANCELLOR**

**REPORTS** that on June 11, 2008, Malcolm X College received a delegation of twenty High School Counselors from the country of Cyprus. The group, sponsored by the International Visitors Center of Chicago (IVCC), was greeted by the Interim President, and the Executive Council, faculty and staff. The guests were visiting Chicago to identify and to recommend the best colleges in the USA for their students to attend. The visitors complimented the staff for a warm welcome, a fabulous tour, and answering the questions they needed in order to advise their students.

Respectfully submitted,
