BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

Canine Security for Old Kennedy-King College

THE CHANCELLOR

REPORTS

that there is a need to provide canine security for the old Kennedy-King Campus to maintain and protect the contents of the facility from being criminally removed and;

that specifications were prepared by the District Procurement staff, publicly advertised, and mailed to eight (8) vendors, two firms submitted bids including Action K-9 Security Services Inc., Chicago IL and Illinois K-9, Chicago, IL; a pre-bid conference was held on January 9, 2008, one firm, Illinois K-9's bid was deemed non-responsive; and

Firm	Total Cost
Action K-9 Security Services, Inc. Chicago, IL 60612	\$54,631.95
Illinois K-9 Chicago, IL 60649	\$24,480.00*

that Illinois K-9 was deemed non-responsive as they are a dog training facility and not a security canine service provider and they do not have a license to lease security canines, and that the District Office staff has reviewed the next lowest bid submitted by the most responsive and responsible bidder Action K-9 Security Services and has determined that the price from Action K-9 Security is reasonable and acceptable; and

that the time period for this project will be from June 5, 2008 until the determination of the fate of the facility has been decided; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced canine security project at the old Kennedy-King facility and since the selected vendor was the only responsive bidder and has partnered with Moore Security Services (a certified MBE) for 25% of the project and has requested a partial waiver (WBE), it is recommended that the partial waiver from the Board approved Participation Plan be approved.

THE CHANCELLOR

RECOMMENDS that the Board of Trustees approves the issuance of a purchase order to Action K-9 Security Inc. Chicago, IL for the purchase of canine security services at the old-Kennedy -King for an amount not to exceed \$54,631.95 in accordance with the specifications in #DT0715 dated December 18, 2007.
