INSTRUCTORS GIVE STUDENTS INSIGHT DURING CAREER DISCUSSION
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that the Student Success and Leadership Institute's Career Group hosted a Career Discussion Panel recently in which instructors from several academic departments discussed careers in their field, the training and education involved, and the job outlook; and

that fields discussed included Business, Nursing, Teaching, Psychology, Social Science, Computer Science, Engineering, Biology, and Environmental Sciences.

Respectfully submitted,

Wayne D. Watson
Chancellor
