

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

The University of Chicago Pritzker School of Medicine
Chicago Academic Medicine Program for 2008

Ricky Reynoso, Wright College

THE CHANCELLOR

REPORTS that the University of Chicago Pritzker School of Medicine – Chicago Academic Medicine Program selects college students from disadvantaged backgrounds to build the knowledge base and academic skills necessary for success in pre-medical program groups that have been shown to be underrepresented in health related sciences.

that Mr. Ricky Reynoso's application for this program was encouraged by college advisors Kimberly Benberry-Jones and Christy Carter and the administrator in the Student Academic Success Center – Gateway to the College and was advanced by supporting letters from faculty and members of the medical community.

that Mr. Reynoso will participate in the tuition free, six week academic skills program June 23 – August 1, 2008. The program will focus on group learning, team building, peer support, daily interaction presentations on the three major organ based systems, a mini-medical school format, clinical shadowing with physician mentors, advising sessions with Pritzker deans and admissions officers, and social and mentoring events. He will also receive a \$1000 stipend for the summer.

Respectfully submitted:

Wayne D. Watson
Chancellor
